DeGroote School of Business, McMaster University, BComm, summa cum laude

FCPA, FCA (Ontario)

CPA (Illinois)

As Head of Strategy at Bennett Jones, Gino Scapillati supports the leadership team and lawyers in anticipating and addressing market trends and opportunities. By focusing on creative, collaborative and digitally enabled solutions, Gino guides the firm in building long-term competitive success and creating value for clients. Applying his business leadership and governance experience, Gino provides strategic advice for Bennett Jones to adapt and thrive.

Gino joined Bennett Jones from PwC where he had been a National Managing Partner and member of the Global Board of the PwC Network. Throughout his career, Gino has worked with executives and board members of national and global organizations to help them maximize value and execute business strategy.

Gino is an executive coach to various Canadian business leaders and a board member of various business and community organizations. He is currently a member of the Board of Directors of Foresters Financial and a member of the Committee of Management of the Toronto Club. He is a past member of the National Council of C.D. Howe Institute and past Chair of the Strategic Planning Committee of Providence Healthcare Foundation.

A Canadian Chartered Professional Accountant (FCPA, FCA) and a United States Certified Public Accountant (Illinois), Gino has been recognized as a Fellow Chartered Professional Accountant for his achievements and leadership contributions to the community and the profession.
