John Teolis is a renowned leader in the law related to financial institutions. His practice focuses on regulatory law as it pertains to financial institutions, corporate, commercial and consumer finance, banking, mergers and acquisitions (particularly involving financial services entities), money transmission, information processing and payment processing. John also advises companies and their boards on corporate governance matters.

John has acted as counsel to high-profile Canadian and international companies in establishing a banking, commercial, consumer or other financial presence in Canada. His clients include Canadian, Japanese, Dutch, US and UK banks and trust companies, credit union centrals, finance companies, credit card companies, retail leaders, payment processors, international money transmitters and global food companies.
